Leeds & Son, Leeds

Dear Friend

Leeds 11 mo 11/53.

W. L. Garrison

I just write thee a line
to say that in addition to some
other articles enclosed in a
Box from Leeds, & others too
late, sent to Glasgow for en-
closure, I have likewise had
forwarded from my printers
in Glasgow 14,500 loose tracts
of the Leeds Antislavery series

as a donation for the Boston
Anti-Slavery Bazaar, for sale
or distribution. -

In the same Box are two
similar parcels for Rochester
& Philadelphia, which I will
thank thee to forward imme-
diately on arrival, or they
may be too late. - The 2 latter
have some volumes in also. - there

were volumes for Boston in the
General Box from here —

I don't know what process
these goods may have to pass
through at your Custom House,
but if it be requisite to produce
any Invoice, (though they are
a gift) the one sent here with
may answer the purpose —

We have just had Saml R. M^{and}
& have engaged Professor Allen
to deliver a course of 3 lectures
next month —

Thy friend very truly
